Attn: Tom Hartley

Dear Sir

**LIBERTY TOWERS APARTMENTS
OUTSTANDING SAFETY PERFORMANCE**

This letter serves to recognise the outstanding safety performance Hartley Glass achieved on this project.

Your company was involved in the project for a period of 18 months.

The balustrade and privacy screen installation comprised work to the extremities of the building and necessitated ongoing awareness of your installation activities and risks and coordination with other trades.

During this time Hartley Glass worked 12,800 man hours with no medical treated, minor first aid or lost time injuries.

There were no other accidents/near misses recorded.

We would like to thank the efforts of your Supervisor, Jim Allnut for his commitment in ensuring Hartley Glass personnel complied with all site safety rules, assessed risk activities, completed JSA's and attended Site Safety Committee Meetings.

We look forward to working with your company in the future.

Yours faithfully

**Stephen Blewett
Project Manager**
